1. About the Application

The National Apprenticeship Training Scheme (NATS) portal allows stakeholders to gain detailed information on the Apprenticeship Training Scheme (ATS), and access services provided by the Board of Apprenticeship and Training (BOAT)/Board of Practical Training (BOPT). The stakeholders, such as Technical Institutions, Establishments (Central, State and Private Sector), Candidates and Employees of BOAT/BOPT can use the portal as described below:

- **Technical Institutions** can upload information about their students and view the details related to their selection, sponsorship and placement status in different industries or establishments. They can also view details of available training slots based on subject, branch and fields.
- **Establishments** can view information on how to enrol apprentices for the training scheme, receive notifications for new training positions and recruit apprentices, manage various reports posted to BOAT/BOPT, and submit apprenticeships, contracts, and claims.
- **Employees of BOAT/BOPT** can use the portal to send a list of candidates to industries or establishments for apprenticeship training, issue Registration Numbers and certificates, display list of industries with vacancies for apprenticeship training, view details on claims reimbursement, and send all correspondence related to NATS.
- **Candidates** or students can use the portal to enrol for the Apprenticeship Training, receive information on available Apprenticeship vacancies and their benefits, employment news, interview tips, and view information related to their reports and certificates.

The portal can be also be used to provide insights related to Apprenticeship Training such as:

- budget requirements and costs
- manpower needs
- analysis of supply-demand pattern
- placement of apprentices
- utilisation of resources

1.1. About NATS

The National Apprenticeship Training Scheme in India was started by the Board of Apprenticeship and Training/Practical Training. It is a flagship programme from the Government of India, and undertaken by the Ministry of Human Resource Development. The programme is aimed at enhancing the employability of students by equipping technically qualified youth with practical knowledge and skills required in their respective field(s) of work.

As part of this programme, organisations and Training Managers provide year-long or six-month relevant training to apprentices using well-developed training modules. The establishments can pay stipend amount greater than or equal to the minimum stipend amount fixed by the Government of India to the apprentices. The establishments are reimbursed with half of the minimum prescribed stipend amount.

The apprentices are trained at Central, State and Private organisations. At the end of the training programme, the apprentices are issued a Certificate of Proficiency by the Government of India. This certificate can be registered at any employment exchanges across India as valid employment experience. The apprentices are governed solely by the Apprentices Act, 1961.

2. About the Student User Manual

2.1. Structure of the Document

The User Manual is divided into several chapters. Each chapter has an overview and a set of tasks.

Task Overview

The task overview details why you need to perform a task, and how it is connected to the application or process workflow.

Procedural Steps

The procedural steps explain how to perform the task through a set of simple, step-by-step instructions. Screenshots are provided for reference.

Field description tables are added to explain the details of all the fields that is discussed in a task.

2.2. Roles and Responsibilities

The NATS portal can be accessed by four types of users — Educational Institutions, Establishments, BOAT/BOPT Officials and Candidates/Students.

The following table provides details of tasks that each user role can perform in the NATS portal:

Role	Functionality

3. Managing Student Enrolment

You can use the Enrolment module to enrol as a student for the Apprenticeship Training programme. After the enrolment, you can perform tasks based on your access rights.

A student with any of the following qualifications is eligible to enrol as a trainee/apprentice:

- Graduation
- Diploma
- Vocational Education/Higher Secondary School

This chapter contains the following section:

- [Enrolling Student](#)

3.1. Enrolling Student

You can enrol as a student if you have completed graduation, hold a diploma, or have completed vocational education. You are eligible to enrol for the one-year programme if your year of passing is within 3.3 years from the date of passing your educational course. But as a sandwich course student, you are eligible to enrol for the six-month programme only.

After you have successfully enrolled, you can perform tasks such as logging on to check enrolment status, job opportunities posted by establishments and relevant advertisements and download Certificate of Proficiency (COP) after completion of training.

This section contains the following topics:

- [Enrol Graduate Student](#)
- [Enrol Diploma Student](#)
- [Enrol Vocational or +2 Student](#)

3.1.1. Enrol Graduate Student

You can enrol for the apprenticeship programme if you have completed graduation from technology and engineering related technical courses. If you are graduating from any sandwich course, you can apply for the 6-month training programme. Other graduate students can apply for the regular one-year programme.

Have the following items in hand to enrol with ease: Registration number from college, scanned passport photo, scanned qualifying degree/provisional certificate, college and university names, Aadhar card, percentage of marks or CGPA, branch of study, and month and year of passing.

To enrol a graduate student

1. On the home page, click **Enroll**. The page appears with **Eligibility Check, Questionnaire & Guidelines, Enrollment Form** and **Preview & Confirm** sections.
