How Search Job Works?

- Login to NATS portal with your credentials and then select **Employment** → **Jobs** → **Search Job** from the menu.

The screenshot shows the NATS portal interface. At the top, there is a header with the Government of India logo, the text "National Apprenticeship Training Scheme (NATS)", and the Ministry of Human Resource Development. A navigation menu includes Home, Communication, Employment, Apprenticeship, Establishment Requests, and Help. The main content area is titled "Search Job" and contains a search form. The form has a "Technical Skill" section with a "Verified Technical Skill" indicator and buttons for "java", "python", and "C++". Below this is a text input field for "Enter technical skill". The form also includes dropdown menus for "State", "District", and "Department", a text input field for "Establishment Name" with the placeholder "Enter partial/complete name", and a "Sector Type" dropdown menu. At the bottom right of the form are "Search" and "Reset" buttons.

- You can select multiple technical skills, states, Departments while searching jobs.
- Suggestions for establishment name will be provided based on the skills, states, districts, department and sector type if available.
- On clicking **Search**, the list of establishments matching the search criteria will be listed as below.
